

# BLOWN FIBRE TOOLKIT N° 1

TED®

A blown fibre toolkit is essential for telecom engineers and installers when deploying blown fibre systems, as it ensures that the installation is done accurately, efficiently, and in compliance with industry standards, resulting in a reliable and high-performance optical network. This blown fibre toolkit is a collection of specialised tools and equipment used in the installation and maintenance of blown fibre optic cables.

CODE	DESIGNATION
W4109-1-3	Blown Fibre Toolkit No.1 - TED® Backpack
W4109-1-2	Blown Fibre Toolkit No.1 - TED® Optima Tool Bag
W4109-1-1	Blown Fibre Toolkit No.1 - TED® Trolley Bag
W4109-1-4	Blown Fibre Toolkit No.1 - TED® Trolley Backpack

## TOOLKIT DESCRIPTION

35003	Headlamp TED® by SCANGRIP - 140 lumens
F4217	Fibre sharps bin 0.45l
C6416-BK	Marker Permanent Sharpie Twin Tip
W1535	Collet Locking Tool
W4301	Micro Duct Tube Cutter 14mm
W1321	High Leverage Cable Cutter
32062	Diagonal plier length 160mm insulated 1000V TED®
32067	Long nose plier length 160mm insulated 1000V TED®
32063	Combination plier length 160mm insulated 1000V TED®
W4008	Fibre Kevlar Scissor
W1090	Knife Retractable
HACKSAW/J	Hacksaw Junior
TAPE/25/A	Tape PVC 25mm Black - 20Mtrs
1000766	Microduct Sheath Slitting Tool

W4350	Rapid Microduct Deburring Tool - Jonard
E3200	Microduct Cutter 28mm
W1534	Draper Expert Pipe Cutter, 3 - 30mm
32051	TED® Slotted screwdrivers 2.5x75 insulated 1000V
32053	TED® Slotted screwdrivers 4x100 insulated 1000V
32075	TED® Slotted screwdrivers 5.5x125 insulated 1000V
32054	TED® Slotted screwdrivers 6x150 insulated 1000V
32060	TED® POZIDRIV screwdrivers PZ1 4,5x80 insulated 1000V
32061	TED® POZIDRIV screwdrivers PZ2 4,5x80 insulated 1000V
C6433	Wipes Antibacterial Hand & Surface - Pack of 100
0892	5M Tape Measure
14140	Safety Glasses
W2358	Multidirectional LED Worklight
