

- Universal cable drum and tubing dispenser
- Loading capacity up to 800kg
- Suitable for damaged drums
- Variable drum sizes
- Troubled free and efficient working
- Non-slip and secure standing position

### Description

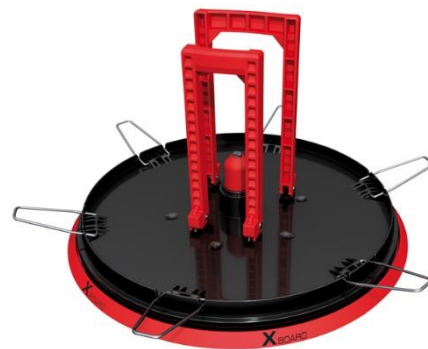

The compact X-BOARD – XB500 is a universal, professional device for winding in/out cable drums featuring all types of cables and pipes (single core lines, cable rings, cable drums, empty conduits, ropes and rope drums).

The X-BOARD – XB500 can bear loads of up to 800 kg and is suitable for almost all types of drum.

#### **Suitable for damaged cable drums and reels.**

12 rubberised feet ensure a non-slip and secure standing position. Ideal for protecting completed surfaces.

The height-adjustable lid is perfectly designed to secure loose cables, cable rings or pipes in the X-BOARD XB500, this prevents uncontrolled cable winding.
