

DROPWIRE DISPENSER 2B

DROPWIRE DISPENSERS

The Dropwire Dispenser 2B offers a wheel version of the robust tubular steel framed dispenser, making it easy to transport and maneuver. This versatile dispenser features a fold-away handle for convenient storage and an adjustable tensioning device to prevent drum overrun, ensuring smooth and controlled operation. The drum is securely held in place by a spring-loaded spindle, providing stability and reliability.

Dimensions: 600x480x430mm

Weight: 9.15kg

FEATURES & BENEFITS

- Tubular steel frame for durability
- Wheel version with a fold-away handle for easy transport and storage
- Adjustable to prevent drum overrun
- Spring-loaded spindle for secure and stable operation
- Ideal for efficient and portable dropwire dispensing
