

FISHING UMBRELLA - 110CM

TENTS, UMBRELLAS & STOOLS

The Cabinet Fishing Umbrella is a versatile and lightweight brolly designed for coarse and sea anglers seeking dependable shelter on the bank or beach. With a generous 190cm span and variable tilt canopy, this umbrella adapts easily to changing weather conditions and angles of sun or wind. Its adjustable central shaft and robust construction offer practicality without the need for a base. Ideal for both beginner and seasoned anglers, this umbrella combines portability with protection, all wrapped in a convenient carry bag.
