

# FIBRE BUFFER TUBE SCORER FTS

## FIBRE PREPARATION TOOLS

A precise, one-step tool designed for effortless scoring of buffer tubes ranging from 1.6mm to 6.0mm. Its innovative design eliminates the need for multiple tools, making it an essential addition to any fibre optic technician's kit. Ideal for fibre optic professionals, it simplifies buffer tube scoring with accuracy and ease.

- **Scoring Range:** 1.6 – 6.0 mm
- **Length:** 95.53 mm
- **Weight:** 28.0 g

### KEY FEATURES

- Efficient one-step scoring — accurately scores buffer tubes in a single motion
- Fixed hardened steel blade, factory-set for precision without adjustment
- Durable construction from strong, resilient acetal polymer

### TECHNICAL CHARACTERISTICS

|               |                                   |
|---------------|-----------------------------------|
| Scoring Range | 1.6 – 6.0 mm buffer tubes         |
| Length        | 95.53 mm                          |
| Height        | 15.92 mm                          |
| Weight        | 28.0 g                            |
| Blade         | Fixed hardened steel, factory-set |
| Material      | Acetal polymer                    |

| CODE  | SCORING RANGE | LENGTH  | HEIGHT  | WEIGHT | BLADE              |
|-------|---------------|---------|---------|--------|--------------------|
| W4054 | 1.6–6.0mm     | 95.53mm | 15.92mm | 28.0g  | Fixed, factory-set |
